D5240 CHANGING LIVES

Celebrating Our Rotary Foundation

In Rotary Year 2016-17 we will be celebrating the 100th Anniversary of The Rotary Foundation. Let me remind you of its beginning. At the end of the 1917 Rotary Convention in Atlanta, RI President Arch Klumph had a surplus of \$26.50. He formed an endowment to "do good in the world." Today, we know that endowment as The Rotary Foundation, and the \$26.50 has grown to more than \$1 billion through the generosity of Rotarians around the world. The mission of our Rotary Foundation - for it truly belongs to all of us - is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. The wording is important: to enable Rotarians - like you and the members of your club - to do good in the world. Since its founding, the Rotary Foundation has awarded more than \$3B in grants that enable Rotarians to approach challenges such as clean water, illiteracy, and disease with sustainable solutions that leave a lasting impact. Rotary Foundation scholarships, district grants and global grants have helped you and your club make a difference in your local community and in communities around the world.

Rotary International has asked each Rotarian to celebrate the 100th Anniversary of the Rotary Foundation by doing one hundred acts of good during Rotary Year 2016-17. Make your first act of good your gift to the Rotary Foundation and help our district reach its goal of 100% participation in the 100th year.

~2016-2017 District Governor Nick Frankle

Welcome to the New Foundation Newsletter!

With all the outstanding things happening because of your efforts, the District Rotary Foundation Committee felt it important to keep everyone up to date on how our contributions to the Foundation become investments on improving our communities and impacting our international friends. The contributions we all send to the Rotary Foundation are shared with the many grants and programs of the Foundation, and would not be possible if it were not for your generosity. Those clubs that initiate these grants are doing so on everyone's behalf, because if it were not for them, we would not be able to do all we do.

The District Rotary Foundation also welcomes in a NEW TEAM for the 2016-2017 Rotary year. These individuals have been selected because of their experience and desire to see your efforts come to fruition, and you will find their commitment to you unwavering. The Committee is organized using the four region structure of the District. Each region will have a representative on the District Grants and Global Grants, and Foundation Area Representatives that will also serve a resource for your clubs. Each of the Committee chairs will also be available for you, should questions arise, and lastly, we will have a network of speakers for you to call on for club programs or events.

We want to keep you up to date on our Polio efforts, as this was voted on at the Council on Legislation as our Number One Priority.

- There will be regular updates on our progress.
- There will be a District Grants section with a list of grants, with a few of them being featured.
- There will be a section on Global Grants, which will also have a list of grants and project details.
- We will have special feature articles on different aspects and programs of the Rotary Foundation.
- We will assist the clubs by tracking your annual Rotary Foundation goals and progress in attaining these goals with regular updates.

It is our plan to keep you all informed on all that the Foundation is doing and show you how your contributions are making a difference in our communities and the world. There is a reason the Rotary Foundation remains so highly rated by Charity Navigator, and we should all be proud of what our Foundation is doing AND be informed on how our investments are being spent.

I wish to thank the Committee members for their commitment in assisting the clubs, the clubs for their continued support and for initiating such outstanding projects and programs, and to ALL of you for your continued unselfish support of the Rotary Foundation. You are all changing lives and making the World a better place for everyone.

I look forward to serving you.

~Wade Nomura, 2016-2019 DRFC Chairman
wadeDG1112@verizon.net

Meet the District Rotary Foundation Committee

In the first installment of a continuing feature, we are pleased to introduce those who have agreed to serve on the DRFC. :

Wade Nomura *DRFC Chairman*

Wade Nomura is a charter member (2002) of the Rotary Club of Carpinteria Morning. He served as the District Governor in 2011-2012. He is a charter Paul Harris Society member, Major Donor, level two Bequest Society member, and recipient of the Rotary International "Service Above Self" Award and the Rotary Foundation's "Citation for Meritorious Service" Award. Wade has been on 38 international trips for Rotary, including an NID to India, where he has a special passion, having had polio as a child. Wade is also an honorary member of 7 international Rotary clubs having helped charter 5 of them, and honorary

ambassador for 2 international districts.

Wade serves/served as the 2012-2016 District Personnel Director, Zone Governors' Instructor, Zone Trainer, Zone Institute Manager, Rotary Foundation Cadre for Water and Sanitation, and Community and Economic Development in English and Spanish speaking countries, 2015-2017 Rotary International Director Nominating Committee, Rotary International President's Representative, Rotary Rose Parade Committee Chair, 2016 Rotary International Council on Legislation delegate, the 2017 Southern Cal/Nevada PETS Chair, chairing two RI/Zone Task Forces on Membership Integration and Personnel, and hosts a TV show "Rotary, Serving Our Community" that you can see at www.WeAreRotary.TV and features a number of shows on the Rotary Foundation.

Gerry Porter

Global Grants Committee 2016-2017

Gerry Porter was inducted into District 5330 Lake Arrowhead Mountain Sunrise Rotary Club in May 2004. During his time in that club, he served as Club Community Service Chair, Club International Service Chair, Member Club Board of Directors, Committee Member - Disaster Response, Committee Member - Succession Planning, Club Finemaster, and as Club President from 2006 to 2007.

While in RC Lake Arrowhead Mountain Sunrise, Gerry also served as District 5330 International Service Chair 2008-2009, 2009-2010 and 2010-2011; and as D5330 Strategic Planning Committee Member, D5330 Humanitarian Grants Oversight Committee Member, D5330 "STAR's" (Service to American Rotarians)

Committee Member (Katrina Relief), and D5330 Oduoro Village Committee Member (Uganda). He graduated from the District 5330 Leadership Development Academy.

In February of 2012, Gerry transferred to District 5240 - Rotary Club of Cambria, and immediately dove right in by serving as that club's TRF Chair and on the International Service Committee (ISC) in 2012-2013. He continued as TRF Chair through the 2014-2015 Rotary Year, and on the ISC through the 2015-2016 year.

A D5240 PRLS graduate, Gerry has been active at the district level in District 5240 since 2013, when he became the DRF Grants Coordinator, a post he held through 2015-2016.

In 2014-2015, he served as the D5240 "On to Sydney" Chair, and was the Region 4 Foundation Area Rep.

For Rotary Year 2016-2017, Gerry will serve on the Foundation Gala Planning Committee, the District 5240 International Service Committee Member 2016-2017 and the District 5240 Global Grants Committee.

Gerry is a Paul Harris Society Major Donor, Benefactor, and Bequest Society Member.

David Saint-Amand

District Grants Committee 2016-2017

David Saint-Amand is a member and Past President of the Rotary Club of China Lake. He is a Master PRLS Graduate and a Multiple Paul Harris Fellow. He is a recipient of his club's "Everett A. Long Rotarian of the Year" award, and the Rotary International "Rotary Volunteers" Certificate of Recognition. He is the current Chair of the Rotary Club of China Lake Charitable Foundation, through which he personally funds an annual science and engineering memorial scholarship in honor of his Parents: Dr. Pierre and Mrs. Marie Saint-Amand.

David has a particular interest in eliminating the Polio virus as his mother was infected with it as a child. To that end he created the “Big Change from Small Change” fundraising effort in order to cover his club’s annual contribution to the first matching grant of the Bill and Melinda Gates Foundation. He raised over \$6,000 for the Rotary PolioPlus program; which was then donated under his club’s name.

David has served District 5240 every year for the past nine years; from a member of the “Future Vision Pilot District Committee,” to Executive Assistant Governor, and up to Chief Operating Officer for District Governor Jim Bell (2015-2016).

Martin Senn

Global Grants Committee 2016-2017

Martin Senn, a third generation Rotarian has been in Rotary for about 10 years. He and his wife came to the US from Denmark when they were in their early 20s and settled in Goleta. Martin served as President for The Rotary Club of Goleta in 2011/12 and currently serves as International Chair for that club. Martin is the Senior Vice President and runs the daily operations for a company based in Camarillo called Bamboo Pipeline, that sells plants to landscape contractors, architects and designers throughout the state of California. Martin also has a sister company to Bamboo Express called Plants Express (100% web based) that sells plants to homeowners throughout California.

Martin’s passion for Rotary is to help other people. He has been the leader of a cataract operation project in Morelia, Mexico, for the last four year where their team performed 100 cataract surgeries each year for Mexican nationals unable to afford this life changing surgery otherwise. The team has worked together with the Camelinas Rotary Club (all women) in Morelia and See International in Goleta (a non profit that provides the supplies for eye operations around the world).

In the past two years, Martin has completed two Rotary Global Grants, together with the Camelinas Rotarians, for the Miguel Silva General Hospital in Morelia (where the cataract surgeries take place). This hospital serves about 1 million of the poorest people in Michoachan and surrounding states. They are currently working on starting a new Global Grant for an Echocardiography machine for the same hospital. Availability of this procedure will help prevent many of the Mexican nationals in this area from dying from heart disease. This hospital is also a teaching hospital for the universities in this area of Mexico where the future doctors do their internships.

Martin is very excited about working with the Committee, to make sure that many more Global Grant projects get approved and executed around the world from District 5240.

Charles Wilson

Global Grants Committee 2016-2017

Charles Wilson joined the Rotary Club of Simi Sunrise in 2000. He is a multiple Paul Harris Fellow and a member of the Arch Klumph Society. Currently he is serving as his club’s International Service Chair (2015-2017) and in that capacity has overseen the club’s host partner responsibilities in writing and administering Global Grant 1524911 for Water Harvesting in the Independence Aquifer in Mexico.

Charles was born in Chicago, Illinois. When he was a child, he and his family lived in Ontario, Canada, for five years before returning Illinois. After graduating

from high school in Naperville, Illinois, Charles went on to earn a BSEE (1975) from Purdue University, and a MSEE (1976) from Stanford, which prepared him for a 40-year career in the aerospace industry as a Systems Engineer, where he worked on various missile defense project. Charles also holds an MBA (1983) degree from CSUN.

Charles and his wife Phyllis have been married for 39 years, and have lived in Simi Valley for since 1979. They have two grown children, Jennifer and Daniel. Charles is a private pilot and ham radio operator. He also likes skiing, camping, and singing.

Rotary Peace Fellow News

District Governor 2015/2016 Jim Bell and I closed out the Rotary year by enjoying the process of online interviews with candidates for the 2017 Peace Fellowship. We have a 'bumper crop' this year with seven applicants coming to us from South Sudan, Somaliland, Ethiopia, Eritrea, Rwanda and Mindanao in the Philippines. Four of these, highly motivated peace workers are employed by Non-Violent Peaceforce in unarmed civilian protection. Two of the applicants are applying for the Masters program at Bradford University, UK and Uppsala, Sweden with the remainder hoping to gain selection for the three month Professional Certificate course at Chulalongkorn University, Thailand. We wish them well!

We also had potential applicants from the district and one of those although ineligible this year will be first in the queue for the 2018 Fellowship.

More News: The Rotary E-club of One World has formed a Peace Committee with 30 members including (so far!) seven Rotary Peace Fellows – two who have just been chosen by the Institute for Economics and Peace among the top ten of their 100 Global Peace Index Ambassadors. The OWR Peace Committee aims to engage in dialogue about a proposal for peace education for Rotary with its first initiative a conference in Winnipeg in September.

~Rotary Peace Fellowship Subcommittee Chair Catherine Bonifant

Editor: Susan Weaver

The District 5240 Foundation newsletter is published once a month and issued second week of the month. Submission deadline for articles is the 15th of the month preceding publication. Submit articles to:

DRFC5240news@gmail.com

What in the World is a Cadre?

Many Rotarians have not heard of a Rotary Foundation Cadre, or what the function of these cadres is.

A Rotary Foundation Cadre comprises volunteer technical experts that serve the Rotary Foundation by using their skills and knowledge to evaluate Global Grants. Each of the nearly 600 members of the TRF Cadre program are certified in one or more of the six areas of focus, and can be called on to serve in areas or countries where they have proficient language skills. These can be reviews of written grant applications, and/or interim, final, or post project site visits. Grants greater than \$50,000, will generally have at least one Cadre evaluation of the project, while the larger ones will also have interim visits at project funding intervals.

There are also a number of primary goals and objectives in each of the evaluations. There are the basic objectives of verifying the grant application is complete and conforming to TRF standards and regulations, such as potential conflicts of interest. There are also other items that the Cadre looks at, such as Rotarian involvement, using project and grant best practices, confirming that items identified on the needs assessment review are being addressed, that the beneficiaries have buy in, and that the project will be sustainable. Cadre members can also be called upon to assist with the preparing a grant application.

I have been a member of the Cadre for four years now and I am certified in the areas of Water and Sanitation, and Community and Economic Development in English and Spanish speaking countries. I want to share with you some of the assignments I have done and the objectives of these so you can be better informed on how proactive the Foundation actually is in assuring we have successful projects, and in continuing to improve the grant process for the clubs, while also working to protect our contributions to TRF.

Las Penitas, Honduras: Cadre member Wade Nomura consulting on a water project that distributes spring mountain water to the community. Pictured with Wade, on the left is a Water engineer from the government, and on the right is Rotarian Max Morales of the Rotary club of Usula, and the host club representative.

Over the past few years, I have evaluated one water project in Haiti, four water projects in Honduras, and a community and economic development project in Guatemala, each with a different application, however two of them were specific reviews focused to evaluate how effective the "Future Vision" model has worked and to see what type of improvements need to be made. Sustainability remains the main priority for project implementation along with our Rotary mission of serving humanity.

In future newsletters, I will be writing articles on these assignments as it may give you a better understanding of the Global Grants process and model, and since these are grants from other districts, the opportunity to consider a similar grant for your club. "Why start from scratch, when we have the model already in place?"

Would you consider serving The Rotary Foundation by using your expertise as a Cadre member? Cadre members say that this is a very satisfying experience, and there is a continual need for additional volunteers.

For more information about the Cadre, the specific skill sets that are needed in which areas around the world, and to find out whether you would qualify and how to become a Cadre member, visit:

<https://www.rotary.org/myrotary/en/take-action/apply-grants/cadre-technical-advisers>

There are also a few TV shows on TRF Cadre assignments that you can watch at www.WeAreRotary.TV

~Wade Nomura

Water Harvesting in the Independence Aquifer

A grant by the Rotary clubs of Simi Sunrise and San Miguel de Allende Midday was approved in March for \$200,000 to build 314 cisterns in the Independence Aquifer in central Mexico. The grant is expected to reach 2400 individuals and will be completed in roughly 18 months. The materials for the cisterns are provided by the grant and are built by teams made up of the project's beneficiaries. Additionally, the grant provides for the development of training materials covering the water cycle, water contamination, and what is “safe” drinking water. The training is conducted by cooperating partners which are grass roots organizations with close ties to the beneficiary communities.

In April, Simi Sunrise Rotarians Heather Frankle and Chas Wilson, accompanied by DGE Nick Frankle and spouse Phyllis Wilson were able to attend the D4160 Conference in San Miguel along with approximately 30 other D5240 Rotarians. As part of the visit, they were able to visit with future beneficiaries of the grant as well as the beneficiaries of previous cistern grants to learn and understand the impact that these have had on their lives. They were also able to attend a 'teach the teachers' session where the curriculum was being refined. The interest and enthusiasm of the teachers in this effort was evident and provided support that there is a grass roots commitment for this project.

FOUNDATION BANNER RECOGNITION STATUS REPORT

For Rotary Year: 2015 - 2016

Below is an explanation of some Foundation Banner Recognition Status Report columns:

1-July Members: Each club's active members as of 1 July for the Rotary Year.

Annual Fund Per Capita: The total amount, in U.S. dollars (USD), given to the Annual Fund (SHARE, World Fund, and Areas of Focus) divided by the 1-July Members, or, for new clubs, the Current Members.

Average TRF Giving: The total amount, in U.S. dollars (USD), given to any Rotary Foundation fund or grant divided by the 1-July Members, or, for new clubs, the Current Members.

Current Members: The current total active members (not honorary) or, for previous Rotary year reports, the total active members on 30 June.

TRF Giving Members (Starting 2015-16): The total Current Members who contributed some amount to any Rotary Foundation fund or grant.

%TRF Giving (Starting 2015-16): Based on 1-July Members, the percentage of a club's active members who have contributed some amount to any Rotary Foundation fund or grant. Please note this figure excludes new members who joined during the Rotary year listed on this report.

EREY Members (prior to 2015-16): The total Current Members who contributed some amount to the Annual Fund during the Rotary year.

EREY Banner (prior to 2015-16): "Y" = Those clubs who had 100 percent participation in EREY by Current Members and an Annual Fund Per Capita of US\$100 or higher.

Sustaining Members: The total Current Members who contributed US\$100 or higher to the Annual Fund during the Rotary year.

%Sustaining Members: Based on 1-July Members, the percentage of a club's active members who have contributed US\$100 or higher to the Annual Fund. Please note, starting in 2015-16, this figure excludes new member who joined during the Rotary year listed on this report.

EREY/Sustaining Member Banner: "Y" = Those clubs who had 100 percent of their Current Members contribute US\$100 or higher to the Annual Fund. Starting 2015-16, excludes new members who joined during the Rotary year listed on this report.

During the year, most clubs experience changes in club membership, including new members, changes in members' contact information, and membership terminations. To ensure accuracy of this report, communicate all changes to RI as soon as they become effective, using MyRotary, the Membership Data Form, or your club or district database if they are integrated with RI. The Rotary Foundation cannot update membership information. Be sure to notify your district governor and update club records.

Yearend membership figures are received from Rotary International records and will change for prior years if the membership information is updated.

This report displays a club's current progress toward becoming an 100% Foundation Giving Club, a Every Rotarian, Every Year/Sustaining Club (formerly called 100% Sustaining Member Club), and the Top Three Per Capita in Annual Fund Giving banner recognitions. This is only a current status reports. Banner recipients listed here may fluctuate due to changes in membership and additional or redistributed contributions. Final certification is processed by The Rotary Foundation following the close of the Rotary year.
