## THE PAUL HARRIS FELLOWSHIP

February 23 marks the 112<sup>th</sup> anniversary of Rotary and I wanted to share with you how far we have come thanks to you and the Rotary Foundation.

Throughout our district and in each and every club, we have Paul Harris Fellows. As we get closer to the end of this Rotary year, many clubs will be recognizing members, friends, family and acquaintances with a Paul Harris Fellow.

This year we are celebrating the 100<sup>th</sup> anniversary of the Rotary Foundation, but here are some interesting facts on how the Rotary Foundation and Paul Harris influenced the Foundation. In 1956, and over the first 40 years from 1917, the Rotary Foundation had acquired \$493,722. In 1957, the Rotary created the Paul Harris Fellow award that recognized people that contributed \$1000 to the Rotary Foundation. This fund was originally established to fund “Advanced Study”, which later became known as the “Ambassadorial Scholarship” program. Shortly after the implementation of this award, the Rotary Foundation surpassed the \$1 million mark.

In 1969, at the Rotary International Convention in Honolulu, Hawaii, the Rotary Foundation unveiled the first Paul Harris Fellowship Medallion, which was designed and produced by artist Fiju Tsuda, a friend of past Rotary Foundation Trustee Kyozo Yuasa.

The photo shows a replica of the original medallion along with the first Paul Harris pin, which came in after the medallions had gained popularity. These smaller pins are still available from the Rotary Foundation and can be purchased on the Rotary website.

Sometime before 1984, Rotary even came out with a woman's version of the medallion and pin, but in 1984 the medallions and pins became unisex.

In 2006, the number of Paul Harris Fellows surpassed the 1 million mark. So what does the Paul Harris Fellow represent today?

The Paul Harris Fellow represents a person's commitment to improving our communities and the world through the efforts of the Rotary Foundation by investing in our humanitarian projects. This includes eradicating Polio, improving our communities, bringing clean water to millions each year, addressing education, health, improving living conditions everywhere, and creating peace and cultural understanding.

Past President Sakuji Tanaka said it best with his Rotary International theme of "Peace Through Service". This year Rotary International President John Germ's theme of "Rotary Serving Humanity" can also be represented with the Paul Harris Fellowship pin and all that your contributions have made possible.

## PARTNERING WITH OUR SISTER DISTRICT 4140

~Wade Nomura

I was recently invited to present on grant opportunities between our two districts, this time in Patzcuaro, Michoacan Mexico. The invitation came from the Patzcuaro 2000 club, where I am an honorary member, and the Morelia International Club. The event was a District "Breakfast" session, where I was the keynote speaker and spoke on how clubs could have better results in soliciting support for projects in their communities. The audience included nearly 200 attendees, the District Governor Ricardo Preciado, district staff, and 18 different clubs. I presented the same model as in Leon a few months ago; creating package grants, written in English with the needs assessments completed, community project committees already established, budgets identified, grant applications ready to go (in English), and brochures, power points and materials visually displaying the project sites and needs.

I was also asked to a "project expo" following the session, where I went from booth to booth and was presented different projects from 12 different clubs. Many of them were asking for direction on how best to implement these projects, which were not always eligible for Rotary

Foundation funding. In these cases, I was able to direct them to different funding opportunities, such as government grants, other partnering organizations that focus on the focus of these projects, and project models I have seen here in our district and others from around the world. Those that were eligible for Rotary Foundation funding, will be submitted to us, and will be featured in our newsletter, so stay tuned for future project presentations from D4140.

One huge benefit I receive from doing these international projects, is reconnecting with people I have worked with in the past. One example of this was reconnecting with Bernardo Ramos, water engineer for the City of Pátzcuaro. Bernardo worked with me on the very first water project I did back in 2005. Bernardo went above and beyond his job to make sure our project was initiated and successful, working after hours on his own time to ensure this. We worked together on nearly 200 water projects in that area, and our club made him an honorary member. That was nearly 10 years ago, and I have included a photo of him showing the results of our work. The second is a more recent photo of him and me (along with the Director of Health of Patzcuaro). With the successes of the water systems in these communities, he would like to initiate now the installation of latrines for each of the households.

## TRF NAMED 2016 OUTSTANDING FOUNDATION!

At the end of 2016, the Association of Fundraising Professionals (AFP) recognized The Rotary Foundation as **the World’s Outstanding Foundation**. The award honors organizations that show philanthropic commitment and leadership through financial support, innovation, encouragement of others, and involvement in public affairs.

Foundation Trustee Chair, Kalyan Banerjee says, “The continued strong support of Rotary members will help us keep our promise of a polio-free world for all children and enable the Foundation to carry out its mission of advancing world understanding, goodwill, and peace.”

“While almost everyone is familiar with Rotary, not everyone realizes how much of an impact Rotary and The Rotary Foundation have had on people and communities across the globe,” says Jason Lee,

APF president and CEO. **“All of us are honored to recognize The Rotary Foundation as our 2016 Outstanding Foundation.”**

You support this winning effort by your annual contributions to TRF, but you can become a real **Super Hero** by continuing to support the great work of The Rotary Foundation beyond your lifetime with a gift through your estate plan. There are many ways to make this happen – most commonly by making a gift in a will or living trust. The principal of the gift is never spent, so a portion of the earnings will always be available for future Foundation programs.

By establishing an endowment with The Rotary Foundation, you will join a winning long-term effort dedicated to meeting the world’s vital needs for generations to come. Your gift will be safe and put to maximum use to prevent disease, promote peace, and advance communities well into the future.

Become a **Superhero** whose legacy will continue to help those in need by making a bequest to the Endowment Fund of The Rotary Foundation. If you have an interest or questions, contact: Mike Weaver, District Endowment Chair, [amweaver@pacbell.net](mailto:amweaver@pacbell.net)

## D5240 2017-2018 DDF CLUB ALLOCATIONS FOR DISTRICT GRANTS

Based on the contributions made over the last three years to the Rotary Foundation by D5240 clubs, District Designated Funds (DDF) totaling nearly \$140,000 are available for clubs to direct to qualifying projects for the 2017-2018 Rotary Year. If your club is sponsoring or contributing to a project and you want to use your DDF allocation, you must let the District know by midnight PST on March 31. After that date, DDF will be available to any club per the District Grant Distribution Policy. Only clubs that have completed the grant qualification process may sponsor a grant, but any club can contribute to a District grant and thereby direct its DDF to a specific project.

For your convenience, listed below are the the DDF Club Allocations.

For more information on the District Grant Policy visit <http://rotarydistrict5240.org/SitePage/2017-18-district-grants>

## POLIO THIS WEEK AS OF 15 FEBRUARY 2017

### Wild poliovirus type 1 and Circulating vaccine-derived poliovirus cases

Total cases	Year-to-date 2017		Year-to-date 2016		Total in 2016	
	WPV	cVDPV	WPV	cVDPV	WPV	cVDPV
Globally	1	0	1	2	37	5
—In Endemic Countries	1	0	1	0	37	2
—In Non-Endemic Countries	0	0	0	2	0	3

**Headlines:** The 12th meeting of the Emergency Committee under the International Health Regulations (IHR) met on 7 February and concluded that current global polio epidemiology continues to constitute a Public Health Emergency of International Concern (PHEIC). The Temporary Recommendations promulgated under the IHR remain in effect. National polio emergency action plans continue to be implemented in all countries affected by circulation of either wild poliovirus or vaccine-derived poliovirus, and all countries currently thus affected have declared these events to be a national public health emergency.

**Afghanistan:** No new wild poliovirus type 1 (WPV1) cases were reported in the past week. The total number of WPV1 cases for 2016 remains 13, and one for 2017. The most recent WPV1 case had onset of paralysis on 13 January, from Kandahar.

**Pakistan:** No new wild poliovirus type 1 (WPV1) cases were reported in the past week. The total number of WPV1 cases for 2016 remains 20. The most recent case had onset of paralysis on 22 December 2016 in Balochistan.

**Nigeria:** No new cases of wild poliovirus type 1 (WPV1) were reported in the past week. The total number of WPV1 cases for 2016 remains four. The most recent case had onset of paralysis on 21 August, from Monguno Local Government Area (LGA), Borno.

### Case breakdown by country
