A COMMITMENT TO CHANGING LIVES THROUGH THE ROTARY FOUNDATION

As we near the end of the Rotary year, I wanted to remind you to make sure your contributions to the Rotary Foundation are not overlooked. We are having a Great Year thanks to your commitment to "Changing Lives".

I am off to Mexico District 4140 to initiate a new water project in Tototlan, Jalisco followed by their District Conference in Puerto Vallarta. Stay tuned for an article on this trip in next month's newsletter.

I also wanted to share my appreciation for all those that sent their condolences on behalf of Roxanne. It has been a difficult time for me, as I am sure you expected. She was my main motivation for doing all I do for Rotary. In her honor, I will continue to give my all to "Changing Lives" through Rotary. She was proud to be a Rotarian and even more proud of all you do on behalf of Rotary. I included more of her personal story, as many of you already know of her Rotary experiences.

Roxanne Hamako Nomura

Roxanne Nomura (Shinoda) was born in Torrance, California and was the youngest of six children. She moved to Santa Barbara in the mid 1960's.

Roxanne graduated from San Marcos High School, where she was President of the Usherettes, and competed on the Girls Swim Team. She then went to Santa Barbara City College and graduated with an Associate of Arts degree in Medical Assisting.

In 1973, she married her High School sweetheart, Wade Nomura, and in 1976 moved to Carpinteria. They have two children; Lisa and Ryan, and two grandchildren, Zach and Tyler.

Roxanne's professional career in Real Estate started in 1986, and was awarded the Santa Barbara Association's "Rookie of the Year" for being the top new sales person, and remained in the top ten percent each year. In 2008, Roxanne received the "Distinguished Service Award" for her volunteer service to the community, which is the highest award presented to a Realtor by the Santa Barbara Association of Realtors. She also served as the Santa Barbara Fair Housing Chair and a member of the Education Committee.

Roxanne's involvement with the community included serving on the Santa Barbara Junior Golf Tour Board of Directors, the Santa Barbara Athletic Roundtable Board of Directors and inductee to their Hall of Fame in 2008 for her Volunteerism in the Community, Past President of the Carpinteria American Heart Association Chapter, member of the Santa Barbara Heart Association Board of Directors, Santa Barbara Japanese American Citizens League Board of Directors, UCSB's Intercollegiate Athletic Policy Board of Directors, and an active member and Past President of the Rotary Club of Carpinteria Morning. Roxanne was the first female president of the Carpinteria Morning Rotary Club in 2005-2006, and received Major Donor recognition by the Rotary Foundation.

Roxanne also served as the General Coordinator with her husband Wade, for the Tomol Interpretive Play Area, and was named the 2011 "Carpinterians of the Year" with Wade.

Roxanne travelled around the world with Wade on behalf of Rotary, doing projects and meetings in Mexico, Belize, Guatemala, Honduras, Chile, Korea, Japan, Thailand, India, Australia, New Zealand, Portugal, England, Denmark, Canada, and many U.S. states.

Roxanne had a passion for service and loved making people happy through her unselfish efforts in benefitting others, and was famous for her baking and cookies.

SATISFACTION + LIFE LESSONS: RC DOWNTOWN SANTA BARBARA'S ON-GOING GUATEMALAN SERVICE PROJECT

Sixteen people from the Rotary Club of Downtown Santa Barbara, Rotaract, and Unity Church recently returned from nine days of service in Guatemala. The group partnered with Mayan Families, a non-profit dedicated to educate, feed, shelter, and heal indigenous Guatemalans. In Guatemala, nearly 80% of the indigenous population lives on less than \$2 a day and 50% of children are chronically malnourished. Additionally, over 3 million Guatemalans lack access to safe drinking water.

The groups were able to raise over \$17,000 to assist families in towns around Lake Atitlan. Throughout the week they built homes, installed stoves, assembled water filters, worked in preschools, and distributed items of need to local families.

Several members of the group also sponsor nine children year round. The sponsorship allows the children to attend school, seek medical care, and have a reliable supply of food. Sponsors were able to connect with their students, meet their families, and deliver items they desperately need.

"The best part of sponsoring Marta is being able to make a difference in her life," said Terri Eddy who has participated in this trip for the last two years. Eddy and her husband Don Jack sponsor a young girl that lost both of her parents when she was eleven. Without the help of sponsorship she faced a bleak future and would likely have to work in the fields to survive rather than go to school. "Marta brings us great joy in being able to help such a caring, intelligent, and deserving child. When we help others we improve our own happiness and mental wellness."

This year the group worked together to pour concrete floors in homes for two sponsored students that previously lived with dirt floors. Steve Petersen sponsors Sonia and her family and looks forward to this trip every year. "Even though we don't speak the same language verbally we do speak the same language with our hearts," he said as the two beamed and shared a big hug.

For many in the group, the trip was a refreshing reminder of what's important in life. "Not only do we do great work down here on behalf of Rotary, Unity Church, and Mayan Families, but we also get to see what another culture is like," said Bill Dutton, director of international projects with Santa Barbara Rotary. "And while the Mayan people do need a lot of support, they also show us that life

does not have to have all the complexities like we have in the United States. We can live in many different ways and don't have to have a lot of money to feel content."

This was the fourth year the Rotary Club of Downtown Santa Barbara has participated in this project. The Unity Church has been involved for the last two years. Both groups are scheduled to return next year and will be seeking donations to continue to implement this important work.

GIVE ME SHELTER: NOW GLOBAL GRANTS CAN HELP

Clubs and districts can now use global grants to build low-cost shelters and simple schools, under a recent policy change that will be in effect through 2019. The construction must be part of a comprehensive project related to an area of focus. (Projects that involve construction alone are still not eligible for global grants.)

Please note that these structures are limited. Low-cost shelters are intended to provide housing for the destitute or homeless. Simple schools provide very modest schools in areas that previously had none; they aren't intended to enhance existing schools. To get started, see the [low-cost shelters](#) and [simple schools](#) guidelines and application appendix.

GLOBAL GRANT FUNDS SIGHT RESTORING SURGERIES IN GUANAJUATO, MEXICO

The Rotary Club of Santa Barbara Sunrise partnered with the Rotary Club of Celaya Nat-Tha-Hi on a Rotary Global Grant for the purchase of a new ophthalmic microscope and lens kits for cataract surgeries, and then a four-day surgical clinic was held at Clinica Beatriz Velazco de Aleman in Celaya, Guanajuato, Mexico. Surgical Eye Expeditions (SEE) International, a non-profit humanitarian organization that provides medical, surgical and educational services, provided volunteer ophthalmic surgeons for the clinic. Ensuring the sustainability of the project, the ophthalmic microscope will be used to train surgeons and medical staff in order to treat more patients each year. The cataract operating program is expected to treat between 500 and 2,000 individuals this year.

If cataracts are not treated in a timely manner they ultimately may become inoperable. Untreated cataracts create grave social and economic distress within the family unit. The affected person loses his capacity to participate productively with his family. Individuals receiving timely treatment for cataracts increase their annual productivity exponentially. Patients treated within this program represent the most financially challenged population in this region. The surgeries are provided at no cost to the patients. One patient shared her sense of pride because she can now babysit her grandchildren which will allow the parent to return to the workforce.

Volunteer Rotarians performed various activities such as transportation, check-in patients, visit with families of patients, assist nursing staff with supplies and pre-operative preparations, and assist surgical staff with patients. Additionally, volunteers joined with medical staff and patients for post-surgery follow-up examination.

Funding for this project was provided by a Global Grant from The Rotary Foundation, Rotary Club of Celaya Nat-Tha-Hi, Rotary Club of Santa Barbara Sunrise Charitable Foundation, and Rotary International Districts 4140 and 5240.

The Rotary Club of Santa Barbara Sunrise has a long and successful relationship with the Rotary Club of Celaya Nat-Tha-Hi and SEE International collaborating on cataract surgery missions for over 20 years.
