CHANGES IN RY 2019-2020

It has been a pleasure serving you as the District Rotary Foundation Committee Chair for the past three years and I am looking forward to handing the position over to PDG Frank Ortiz and the rest of the 2019-2022 District Rotary Foundation Committee.

Even though this will be my final "Changing Lives" newsletter, I will remain committed to you and the clubs of our district. If you are wondering what I will be doing next, I will remain very active with the Rotary Foundation. I have been appointed to a few international positions that I would like to share with you.

I will be serving my second year as the Rotary Foundation Technical Coordinator of Cadres in the area of Water and Sanitation and responsible for coordinating all project evaluations internationally. I am serving on the Rotary Foundation's long-range planning committee for redefining the role of the Rotary Foundation Cadre (name to also change) to not only include project evaluations, but also to become a program that will assist clubs and districts in developing and writing global grants. I will also be training other districts and zones around the world on the Global Grant process.

Wade & Debbie Nomura

Additionally, I have been asked to serve as the Global Grants coordinator for HANWASH (which is the Haiti Water and Sanitation organization). This

project is a twelve year $1.2 billion project with the goal to bringing safe drinking water to the entire country of Haiti. This project will also be used as a world model for future international efforts in implementing water and sanitation projects and includes partnering with organizations outside of Rotary including the United Nations, the Gates Foundation, World Health Organization, to name a few.

On a personal note, I would like to announce that I was recently married to Debbie. Debbie is from Australia and a fellow Rotarian and is very active at the international level. She will be traveling with me to many Rotary events and we look forward to seeing all of you at future events. It is nice to have someone to share my passion for Rotary with as a traveling companion and as a partner in developing programs that will benefit others through Rotary. The one challenge in our marriage is the need for me to learn a new language. I speak English, Spanish, some Japanese, but am only just now learning Australian!

Thank you all for your support of the Rotary Foundation and for "Changing Lives"! I would also like to thank the incredible members of the District Rotary Foundation Committee.

To everyone, it has been an honor and privilege to have served as your District Rotary Foundation Committee Chair. Keep up the Great Work and be proud of all that you do through the Rotary Foundation.

A Message from TRF Chair Cressey

Dear fellow Rotary members,

Since Arch Klumph's idea for an endowment fund dedicated to "doing good in the world" took root in 1917, we've come a long way. From its first contribution of $26.50 almost a century ago, The Rotary Foundation has given more than $4.7 billion to projects that promote peace, fight disease, provide clean water, support education, save mothers and children, and grow local economies. We can proudly call ourselves one of the world's leading Foundations, because our peers consistently recognize the impact of our work.

Everything The Rotary Foundation has achieved is a result of your support. Why? Because your gifts to the Foundation change lives. Without your support, Rotaractors wouldn't have been able to create new economic opportunities in a Ugandan refugee settlement. Nor would they have the funds to help destigmatize recovery from opioid addiction in the United States.

For the 2018-19 Rotary year, our Foundation set an ambitious fundraising goal of $380 million. Thanks to your hard work and

continued efforts we are on target to reach that goal, and have raised $318 million through April 2019. These funds will ensure that our many programs will be fully funded and Rotarians will be completely equipped and empowered to continue making real change.

We have accomplished so much by committing to projects that impact communities near and far, none more so than our signature polio eradication initiative. At the time of writing, twenty-nine polio cases have been reported around the world in 2019. We've made fantastic progress since the day when our global partnership was launched in 1988, when polio paralyzed 1000 children every day.

But we must maintain our support, keep raising awareness and keep raising funds to get us over the finish line. We need to ensure that Rotary does nothing less than excel to achieve nothing less than total eradication of a disease from which no child should suffer. If we can do this, we will defeat polio, and it will be a landmark achievement not only for Rotary but most importantly for global public health.

So thank you for your generosity and for all you do in Rotary. And remember there's still time to help the Foundation grow before the end of the Rotary year. Visit **rotary.org/donate** and help define our second century as one of even greater transformative impact.

Sincerely,
Brenda Cressey
Chair, The Rotary Foundation 2018-19

RC MONTECITO SPONSORS CONGO PEACE SCHOOL

The Montecito Rotary Club is pleased to announce that we have become the International Sponsor for The Congo Peace School located in the Eastern Democratic Republic of Congo. This school was built over the last year with generous funding from supporters in S California. The Bukavu Mwangaza Rotary Club of E. DRC has requested that we aid them in raising the funds to furnish the Congo Peace School with furniture and equipment that will enable it to teach 522 students in 6 Elementary, 6 Secondary grades plus 2 preschool grades that is already in partial operation.

The Congo Peace School will also offer agricultural courses in addition to the standard K-12 grades of the DRCongo school system to allow poor children from the Mumosho valley in South Lake Kivu, where it is located, to attend with scholarships and be trained in forming agricultural cooperatives in their villages to raise goats and pigs.

The Montecito Rotary has been supporting the villages and some 50,000 inhabitants of the Mumosho valley since 2010 to help them recover from the Congo and Rwandan civil wars that

so devastated the region in the late 1990s, and from which the DRC is still recovering. Some of the District 5240 RCs have supported past Global Grants, including the Mumosho Water Project funding the construction of a water system that brought water from a distant spring to 8 villages and an elementary school and health clinic that improved the lives of 18,000 inhabitants.

We continue to support the Bukavu Mwangaza Rotary Club for this reason in its successful efforts to reconstruct peace in the S Kivu District of the DRC. Montecito Rotary will be matching up to $9,000 in donations from other District clubs, with the rest of the $63,750 cost of furnishing the Peace School from DDF and Rotary International grants.

New Life for the Jaws of Life in Mexico

The Rotary club of Carpinteria Morning recently delivered a rebuilt set of "Jaws of Life" that was done in partnership with the Carpinteria/Summerland Fire Department and delivered to the city of Salamanca in Mexico. The project request came from the Rotary Club of Salamanca on one of the District 5240 Project Safaris. The city of Salamanca's rescue team are volunteer based and equipment is very scarce. Hundreds of people were dying each year because they could not be extracted from

Donation of the Jaws of Life at the Carpinteria Fire Department withand PDG Wolfgang Stuellenberg his wife Stella

crashed vehicles for medical attention. The Jaws of Life that were a part of this project were donated by the Carpinteria/Summerland Fire Department and the Rotary Club of Carpinteria Morning paid for the rebuilding of the unit to new specifications using a district grant to do the project. In the past 3 months, the Jaws of Life has saved over 80 lives.

Grants Central - District 5240 Style!

Three years ago, we were only using 50% of our District Designated Funds (DDF) for Global Grants. Thanks to your efforts now, we are using 100% of our DDF and have become a world player in doing humanitarian work in the six areas of focus.

This year (2018-2019) we have 69 district grants completed and we used all our of our allotted DDF. Your projects included a very diverse focus including everything from scholarships for RYLA to funding medical clinics/missions at the international levels.

In Global Grants, we have 12 Global Grants in draft form, 3 ready for submittal, 6 grants pending approval, 50 Global Grants in process, and 20 Global Grants approved for this year!

Great work on your part, a big thank you to the District and Global Grants Committees for your assistance in processing and approving these grants, and Congratulations to DG Sandi for a very successful year! The impacts of your district and global grants have truly impacted thousands both locally and internationally, and we can only do this with the generous contributions of our members.

Latest Update Regarding Polio Eradication

Dear Rotary Polio Eradication Leaders:
Before the rush of Rotary year end activities, I wish to give you a brief update on polio matters:
The polio case count continues to increase and this week it will be officially reported that we are at the same level as in all of 2018, 33 cases. But let us put this in perspective: We have experienced 4 straight years with less than 100 cases and the final cases are in some of the toughest areas for mistrust and for lack of access due to antigovernment elements.

The news from Africa continues to be very good. In September we will have gone three years without a case of wild polio virus on the entire continent. The Regional Certification Commission for Polio Eradication for the AFRO Region will be meeting in March 2020 to consider whether the area is to be certified as free of the wild polio virus. Congratulations to all the countries in this region on your progress.

How will we know Africa is polio free? As part of the funding round from Rotary approved by the Rotary Foundation Trustees this month, Rotary is funding all surveillance in the AFRO region for the quarter beginning 1 October 2019. This grant of US$7.2 million will support surveillance activities in 45 countries and 5 regional centers. We are also funding in the amount of US$ 5.4 million for surveillance in 11 countries of the Eastern Mediterranean WHO region. Rotary is also resuming the direct funding of vaccines. US$ 2.2 million was just approved for oral polio vaccine for Kenya and the Democratic Republic of the Congo and US$ 4 million for Afghanistan. In total, the Trustees approved over $US 50 million to WHO and UNICEF for the eradication of polio.

More good news is that the Global Certification Commission is now considering whether to certify the world free of Type 3 Polio. There have been no cases since November 2012. A decision is anticipated later this year.

We still have cases of vaccine derived polio with 12 reported so far this year with 2/3rds of them in Nigeria. Attacking these outbreaks is costly and has strained the budget of the Global Polio Eradication Initiative.

Contributions are lagging a bit from Rotary Clubs and Rotarians. We need further support to reach the goal of $50 million in cash and DDF before 30 June. As polio eradication is Rotary's top humanitarian objective, we hope to see all clubs participate.

Our advocacy to governments for their support continues to bring results. There has been recent positive progress from the United Kingdom, the United States, the UAE and India is notable for totally supporting sustaining its status as polio free. A new pledging moment will occur in Abu Dhabi in November.

Pakistan and Afghanistan continue to see outbreaks, positive environmental samples and new cases. Three large provinces in Afghanistan have suspended all immunizations. Pakistan had a difficult immunization round two months ago impacted by false attacks on social media. A round of immunizations that began on 17 June initially appear to have overcome much of the previous attacks.

Thank you to all the polio leaders and contributors in clubs, districts and globally who are working together as a team to fulfill our promise of a polio free world.

Headlines:

- In the Horn of Africa, a cVDPV2 case has been detected in Somali province, Ethiopia, linked to the ongoing cVDPV2 outbreak affecting the region (notably Somalia). Since detection of the cVDPVs in the Horn of Africa in 2018, Ethiopia had declared these outbreaks – together with the Ministries of Health of Kenya and Somalia – to be a regional public health emergency and has been participating in regional outbreak response. See 'Horn of Africa' section below for more.
- In Papua New Guinea, more than one million children are to be vaccinated against measles-rubella and polio. **More**. To mark the launch of the campaign, the Honorable Prime Minister James Marape personally administered polio vaccine at a launch ceremony. **More**.

Afghanistan:

- **No wild poliovirus type 1 (WPV1) cases were reported in the past week.** The total number of WPV1 cases for 2019 remains eight.

Pakistan:

- **Two wild poliovirus type 1 (WPV1) cases were reported in the past week**, from Khyber Pakhtunkhwa (KP) province, one from Shangla district and the other one

from Bannu district. The onset dates of paralysis are 18 and 22 May respectively, bringing the total number of WPV1 cases in 2019 to 24.

- Additionally, one WPV1-positive environmental sample was reported in the past week, collected on 20 May from Quetta, Balochistan.

Nigeria:

- Five circulating vaccine-derived poliovirus type 2 (cVDPV2) viruses were reported in the past week from environmental samples, collected in May from Kwara and Lagos states. The total number of cVDPV2 cases reported in 2019 remains eight.
- Recent confirmation of spread of the cVDPV2 outbreak, both within Nigeria and internationally, underscores the urgent need to fill remaining vaccination gaps in the ongoing outbreak response, and to optimize the geographic extent and operational quality of monovalent OPV type 2 (mOPV2) response.

FOUNDATION BANNER RECOGNITION STATUS REPORT

For Rotary Year: 2018-19

Below is an explanation of some Foundation Banner Recognition Status Report columns:

This report covers only club banner recognition qualifications effective starting in the 2016-17 Rotary Year. Previous year rules will not be reflected in the results if the report is run for Rotary Years prior to 2016-17.

1 July Members: count of 1 July membership numbers. This field is populated by September each Rotary Year and remains the same until the next Rotary Year. If the club is new, the number of charter members in the club will be used and printed in italics.

Annual Fund Per Capita: The total amount, in U.S. dollars (USD), contributed to the Annual Fund (SHARE, World Fund, and Areas of Focus) divided by the 1 July members. The contributions can come from any source (members, non-members, clubs, and other organizations).

Average TRF Giving: The total amount, in U.S. dollars (USD), contributed to any Rotary Foundation fund or grant, divided by the 1 July members. The contributions can come from any source (members, non-members, clubs, and other organizations).

All Active Rotarians: Count of active dues-paying Rotarians year-to-date, OR

Existing Active Rotarians: Active dues-paying Rotarians who have an admission date prior to 1 July of the report year or, for new clubs, active charter members. New active dues-paying members are exempt from EREY and TRF Giving.

TRF Giving Rotarians: The number of Existing Active Rotarians who have contributed US$25 or more to any fund of The Rotary Foundation.

Percent TRF Giving: The number of TRF Giving Rotarians divided by the number of Existing Active Rotarians.

TRF Giving Banner: 'Y' = Those clubs which had 100% participation in TRF Giving and achieved US$100 or more in average TRF giving.

EREY Rotarians: The number of Existing Active Rotarians who have contributed US$25 or more to the Annual Fund. Please note, reports prior to 2016-17 may include any contribution (below $25).

Percent EREY: The number of EREY Rotarians divided by the number of Existing Active Rotarians.

EREY Banner: 'Y' = Those clubs which had 100% participation in EREY and achieved US$100 or more in Annual Fund Per Capita giving.

Throughout the year, most clubs experience changes in club membership, including new members, changes in members' contact information, and membership terminations. To ensure accuracy of this report, communicate all changes to RI as soon as they become effective, using MyRotary, the Membership Data Form, or your club or district database if it is integrated with RI. The Rotary Foundation cannot update membership information. Be sure to notify your District Governor and update club records.

Year-end membership figures are received from Rotary International records and will change for prior years if the membership information is updated.

This report displays a club's current progress toward becoming a 100% Foundation Giving Club; an Every Rotarian, Every Year Club; and the Top Three Per Capita in Annual Fund Giving banner recognitions. This is only a status report. Banner recipients listed here may fluctuate due to changes in membership and additional or redistributed contributions. Final certification is processed by The Rotary Foundation following the close of the Rotary Year. Banners normally ship to current District Governors in late September to mid-October.
